

This month, we continue our series of articles highlighting the teachers at the school in Kamushanga, Zambia. Brianna Roth interviewed these teachers and took pictures for us.

Grace Ndafuka has been a teacher with Grace Community Schools for six years, three years in Mbala Grace and three years at Kamushanga Grace. She teaches Grade 1. She says her favorite subjects are Maths and English.

Grace is single. She has one son who is 7 years old.

She asks us to pray for:

- Accommodation.
- Teaching materials.
- Support for orphans.
- Increase in salary so that I will be able to support my child.

Kabandama Arthur started teaching at Kamushanga Grace Community School in the fall of 2010. He is married and has 10 children. They range in age from 16 to 41.

Kabandama teaches Grade 6. Some of his favorite subjects are English, Social and Development studies and Science.

Please pray for:

- A healthy family.
- Wisdom for the children.
- To know God more and more.

Thank you for praying for these two teachers this month.

Sincerely,

Hope For Abba's Children
