

At this time of year when we think of things we are thankful for, we are especially thankful for the opportunity to serve the children in the schools in Zambia. Many of you have prayed and given for years to enable these children to have a quality, Christian education. We are so thankful for your part in the ministry of Hope for Abba's Children.

We're excited to tell you about a trip that is being planned for next summer. Several teachers from the U.S. will be going to Zambia to lead a seminar for the teachers in the Grace Community Schools and some other schools as well. Would you pray with us as the U.S. teachers begin planning for this trip? Pray for them as they decide what they will share with the teachers there and also as they will soon begin raising support for this trip. Those planning on going are:

Sherry Leyendecker – The Potter's House
Melanie Sabin – Byron Center Public Schools
Leon Slagter – Byron Center Public Schools
Jim Moore – Byron Center Public Schools
Ben Moore – Jim's son
Sue Thomasma – Kentwood Public Schools
Sheryl Stone – Rockford Public Schools
Kathryn Stone – Sheryl's daughter
Betty Barber – Retired from Rockford Public Schools

We will be sharing more with you in the future, but just wanted you to begin praying now for this team.

Thanks,

Hope for Abba's Children
